COFE PRIMARY SCHOOL

## THE BIG FAMILY FUN NIGHT!

We're all really looking forward to the Big Family Fun Night on Friday 17th May. There will be two bouncy castles, games, pond-dipping, a camp fire, food truck, refreshments, ice-creams, crafts and even a Fire Engine!

We hope you can join us for this FOFSA fundraiser. The Friends have identified that they would like to improve the playground, and the playground facilities—including the playground surface, the paintings, the climbing frames and the outside classrooms at the back of the school. The money raised will go towards these projects. The cost is only £10 per family—which sounds like a bargain to me!

Please return your completed attendance forms to the office by the end of next week. Thank you.

## THE WALK ON THE WILD SIDE!

It's nearly time for our biannual sponsored walk, which we will be holding in the morning of 7th June. This is always a great event: the children complete a 5km loop across the fields, over streams and through the woods around the village. They collect stamps as they go and there are plenty of drinks and biscuits stops for tired legs on the way round. We normally get back just in time for an ice-cream and lunch. There is a shorter loop for children in Waveney Class, and the Nursery children are welcome to come too if they walk with a parent. This year, we will be raising money for the FOFSA playground project, so we hope you can give generously. Sponsorship forms will come out soon, so please talk to your relatives, friends and neighbours and explain to them what a fantastic project this and encourage them to contribute. The last time we walked, the event raised over £1000, and we are hoping to match this again. If you can join us, we would welcome your company—either as a marshal, helping with road-crossings and stops, or as a fellow walker. So please put the date in your diary. (NB: if the weather is unsuitable on 7th June, the back-up date is Thursday 13th June.)

## TRIP TO KNETTISHALL HEATH

There are lots of trips to look forward to this term, including Colorado's trip to Knettishall Heath as part of their Wilder Schools project. The children have loved these monthly workshops run in partnership with the Suffolk Wildlife Trust and the opportunity to research and improve habitats for wildlife in our school grounds. The project culminates with this trip to the beautiful Knettishall Heath on 28th June.

## STONE AGE MUSIC

The children in Key Stage 2 are looking forward to a visit from Joe Carr for a day of Stone Age Music workshops. Joe also visited us in the autumn term when we were learning about Anglo-Saxon and Viking Invaders. His workshop will include handling genuine stone-age tools, including hand-axes and finding out about the importance of music for our ancestors.

## NURSERY PLACES AVAILABLE NOW!

Did you know there are places available now for children aged 3+ right now. Contact Mrs Drax for further information.

## PLEASE TIE HAIR BACK

If your child has long hair, please make sure it is tied back before the start of the school day. This helps stop the spread of any unwanted visitors (headlice!). We also remind you that no jewellery should be worn at school except plain stud earrings. This includes necklaces and bracelets. Thank you.

## I HAVE COME THAT YOU MAY HAVE LIFE IN ALL ITS FULLNESS John 10:10

Those of you who have joined us for collective worship on Fridays—our Sharing Assembly—might have noticed this on the wall in the hall. It can also be found in the entrance lobby. The quote, along with Learning to bring out the best in everyone, is our school ethos. For us, it encapsulates the idea that our curriculum is broad, interesting, exciting and fun. At Fressingfield Primary School, our aim is to develop happy, healthy, confident, responsible and respectful children who delight in learning and to enable each child reach his or her full, God-given potential.
